DIRECTIONS

1. Line each muffin cup with a cupcake liner. (If this activity is being done with students have them write their name on the bottom of the liner.)
2. Melt the chocolate almond bark-follow directions on the package.
3. Place enough melted chocolate in each cup so it covers the bottom of the liner.
4. Choose what ingredients you want and place them on top of the chocolate.
5. Pour additional chocolate so all the ingredients are covered.
6. Let the chocolate harden then enjoy your candy bar!
